2020 Edition of the Mauritius – Africa Scholarships

As you are aware, since 2013 the Government of Mauritius offers 50 scholarships to deserving students who are resident citizens of member states of the African Union or of African Commonwealth countries.

2. You may wish to note that this Ministry has now launched the 2020 edition of the scheme. In this regard, it would be appreciated if the following documents (attached) could be transmitted to all Mauritian Missions abroad as well as the Permanent Secretaries/Administrative Heads of the Ministries of Education of all Member States of the African Union:

- 1) Call for Application
- 2) Guidelines for Nominating Agencies
- 3) Guidelines for Applicants for Diploma and Undergraduate Programmes
- 4) Guidelines for Applicants for Masters Programmes
- 5) Guidelines for Applicants for MPhil/PhD Programmes
- 6) Application Forms (Undergraduate and Postgraduate)
- 7) National Endorsement Form

3. It would also be appreciated if this Call for Application could be transmitted to the Secretariats of the Regional Economic Communities (RECs) and the African Union with a request for wide dissemination at their end.

4. Please note that the Call for Application, the Application Form and the Guidelines for Applicants are also available for download from this Ministry's website: <http://ministry-education.govmu.org>.

5. Further, it would be appreciated if the Ministry of Foreign Affairs, Regional Integration and International Trade could request the Ministries of Education of all Member States of the African Union to email the details of their respective Nominating Agencies to the Ministry of Education, Tertiary Education, Science and Technology at studymauritius@govmu.org by **15 January 2020**. This would allow for better co-ordination of the procedures relating to the scholarship scheme.

6. We thank you for your usual kind collaboration.
